## APARTMENT SIERRA NEVADA - OFFERING STUNNING VIEWS

Come, relax, and enjoy everything Sierra Nevada has to offer. The apartment features fully heated rooms and bathrooms, a 65" LED TV in the main living room, a 50" TV in the master bedroom, as well as a bathtub with panoramic views of the mountains, indirect lighting, and its own fireplace. You'll have a bunk room with a 32" TV per bed. The kitchen, from the Italian brand Snaidero, equipped with Bosch appliances, includes a microwave, toaster, coffee maker, and utensils. The bathrooms are equipped with a hairdryer, electric towel rack, and amenities.

Additionally, the apartment has ski storage and boot warmers. Every detail has been taken care of in the development of this incredible winter residence to ensure a perfect stay. Featuring three bedrooms accommodating up to 10 people, 3 bathrooms, a steam room with shower, and a spacious living room with its own cocktail bar and panoramic mountain views to enjoy spectacular sunsets.

We basically have everything you need to enjoy the mountains as you deserve. And as if that weren't enough, while you have breakfast and prepare to explore the mountain, enjoy wonderful views of the Sierra.
